

Hi, I listen to K-Love at least 5 hours a day. It encourages me in good and difficult circumstances. K-Love also challenges me to maintain a solid relationship with God and his son Jesus. Replacing K-Love with LPFM would be a major disappointment for the community because K-Love is a loving environment for people to find true value in their lives. Some of these people feel worthless to the point of hurting themselves. Then, they call K-Love for prayer support and things begin to change. Finally, people receive Jesus as their personal savior. This is the most important detail because people need hope. I accepted Jesus as my savior through music in 1998 and it was the best day of my life! I really believe that K-Love is a blessing to countless numbers of people!

Sincerely,

Tricia
